

Transflo Velocity® and Mobile+

DSV Road, Inc. (DSRVV)

Common Carrier Questions

1. What are the different methods of sending documentation?

There are three delivery methods (in order of preference below) required by DSV Road, Inc. so you can GET PAID FASTER:

- Transflo Velocity Website/Portal (www.transflovelocity.com)
- Transflo Mobile+ App (smartphone app store)
- Email road.mfr.carrierdocs@us.dsv.com

For the best and most accurate results, please remember to email only 1 PDF per load; 1 PDF can contain multiple documents, but should all be for the same load.

2. I currently fax and/or email, is this still allowed?

Transflo Velocity and Mobile+ are the preferred delivery methods. With these processes, you are provided a confirmation number giving you the ability to see what you sent, when it was sent, and when it was DELIVERED to us. No follow up calls are needed and no paperwork is lost. Faxing is no longer monitored as a document transfer solution.

3. What will this cost me?

The service is free.

4. Where can I get the Transflo Velocity or Transflo Mobile+ software?

Visit your smartphone store and search for "Transflo" or www.transflovelocity.com to download it for free.

5. Once I download the software, what do I need to do?

- Once the software is installed, it will open to the Registration Information screen. Provide all necessary information.
- Enter the Broker/Recipient ID - **DSRVV**
- You will receive a registration email after submission.

6. Can I send paperwork and invoices for multiple loads at once?

No, you should only send the loads associated with the specific invoice/load being submitted.

7. Can I continue to mail my documents?

No, documents must be sent using Transflo Velocity or Mobile+ or by emailing road.mfr.carrierdocs@us.dsv.com.

8. How can I get additional help with the Transflo Velocity product?

Please contact Customer Support by phone at 813.386.2327 or by email at support@transflo.com.

Hours of operation are 8:30am to 5:30pm Eastern, Monday through Friday.
